Tengdin Werner Lecture Series 2025

How do we manage the upheavals in faith that inevitably come? Our lecturer will once again be Dr. Bill Stancil, Professor Emeritus of Theology, Rockhurst University.

When Principles Replace God

February 2

When Religion Gets Sick

St. James welcomes all of God's children with open arms; we embrace people of all colors, race, disability or economic background. St. James welcomes persons of all sexual orientations and gender identities to share in the worship of God and the work of God's dominion.

With God as our source, the Son as our example, and the Spirit to guide our way, We Serve!
